Stephanie's Message:

Thank You! God Bless All of You! Christmas was Amazing!

Late Winter and Early Spring Greetings/Blessings to all! On Valentine's Day, I grabbed my children hugging and kissing them. Jenna my little 6 year old daughter said, "Mommie, its Happy Lovie Day! I said to her, "Yes, Babe it is. It's that ONE special day of the year that you can really tell/show those you care about/love just that and give them something special from your heart; My kids got the Valentine candy and cookies from the Gabriel Project of course again this year!

You see folks, The Gabriel Project shares Jesus love and care to Our Moms, Babies, and their families all year long! We pray, advise, (sometimes over the phone right after Babies are just born!) and, of course, provide generous Basic Human Needs before/after delivery of "Our Little Angel Babies" and You help Us to do this! Every time We help, YOU HELP!

The Gabriel Project is celebrating Yes, I am proud to say, IT's 5th year already; We have Angels in the Northern Cambria Region Now helping me with Ministry and New Fundraising Events/Talks through area churches/groups- No Rent to pay; Moms and Us do not have to go to Johnstown to meet their needs!

We/You have helped Hundreds of Babies to be born while providing for their Human Needs and Respecting their dignity as Human Beings while in their Mother's Wombs just as Our Catholic Social Teaching tells us to do so; preparing their Mothers to deliver with prayer/ guidance/those Basic Human Needs and through Babies' First Year! Yes, We are 100% Pro Life and are proud of Our Blessed and Wonderful Gabriel Project! We do have several Parishoners at area churches we are helping; We are here to do just that-HELP! It's going to be yet another busy year for all of us!

Please continue to keep the Gabriel Project, Volunteers, Moms, Babies, and their Families as we continue to Share Jesus' love, hope, healing and generosity to Anyone needing help with a pregnancy. God Bless You all for your continued love, support and prayers!

Always Love and Prayers for LIFE!

Stephanie
