In March, I got a message from a Mom, we will call her "Sherry". She had just had twins and was in "Dire" need of help for them. She had been to a Local Crisis Pregnancy Support Center that afternoon; They were UNABLE to meet her babies basic human needs. I asked her what she STILL needed she said, "Cribs, Car Seats, Diapers, clothes, anything you can do, Please." She told me they were healthy but early and small so they needed Premie EVERYTHING! I told her about Our program, and she said, "My caseworker saw your Bassinet in St. Benedict's Church in Geistown; that's how I found you, and I always need prayers."
So I set up intake. The Gabriel Project provided 2 New Cribs, 2 New Car Seats, Premie Diapers, Premie Clothes, Sheets, Socks, Wipes, Wash, Lotion, ETC along with Jesus love and hope to a Mom/Babies needing US and to get Her/OUR twins home!
It occurred to me, We can help; Just as God provides for ALL of Us!
It Cost The Gabriel Project approx. \$600.00 of Our Fundraising/Donation Dollars to help "Sherry" bring her Babies home.
Oh, by the way, The twins are growing Sweetly; I held them a few weeks ago at St. Francis Church while I thought " Thank God for The Gabriel Project and Our Bassinet being at St. Benedict's Church!"
Our Ministry at St. Francis really helped these Babies come home and provided hope and healing to that family; As it does to Many Babies/Families through Cambria County Yearly!
Please Continue to Pray for The Gabriel Project, Its Volunteers, Moms, Families, and Babies, as
We are A WONDERFUL, CATHOLIC, PRO LIFE OUTREACH PARISH MINISTRY!
Sharing JESUS' LOVE, HOPE, and GENEROSITY to Parents and Their Babies WHEN truly NO ONE ELSE CAN!
Always Love, Prayers, and Blessings FOR LIFE! Stephanie
