Background on the Gospel Reading

Today we begin the Easter Season, our 50-day meditation on the mystery of Christ's Resurrection. Our Gospel today tells us about the disciples' discovery of the empty tomb. It concludes by telling us that they did not yet understand that Jesus had Risen from the dead. Thus, the details provided are not necessarily meant to offer proof of the Resurrection. The details invite us to reflect upon a most amazing gift, that is faith in Jesus and His Resurrection.

Each of the four Gospels tells us that Jesus' empty tomb was first discovered by women. This is notable because in first-century Jewish society women could not serve as legal witnesses. In the case of John's Gospel, the only woman attending the tomb is Mary of Magdala. Unlike the Synoptic accounts, John's Gospel does not describe an appearance of angels at the tomb. Instead, Mary is simply said to have observed that the stone that had sealed the tomb had been moved, and she runs to alert Simon Peter and the beloved disciple. Her statement to them is telling. She assumes that Jesus' body has been removed, perhaps stolen. She does not consider that Jesus has been raised from the dead.

Simon Peter and the beloved disciple race to the tomb, presumably to verify Mary's report. The beloved disciple arrives first but does not enter the tomb until after Simon Peter. This detail paints a vivid picture, as does the detail provided about the burial cloths. Some scholars believe that the presence of the burial cloths in the tomb offers evidence to the listener that Jesus' body had not been stolen (it is understood that grave robbers would have taken the burial cloths together with the body).

The Gospel passage concludes, however, that even having seen the empty tomb and the burial cloths, the disciples do not yet understand about the Resurrection. In the passage that follows, Mary of Magdala meets Jesus but mistakes Him for the gardener. In the weeks ahead, the Gospel readings from our liturgy will show us how the disciples came to believe in Jesus' Resurrection through His appearances to them. Our Easter faith is based on their witness to both the empty tomb and their continuing relationship with Jesus—in His appearances and in His gift of the Holy Spirit.

April 20, 2025 – Easter Sunday

He is risen! He is truly risen! This is what the celebration of Easter is all about – the truth that Jesus was crucified for our sins and three days later rose from the dead, conquering death once and for all. We proclaim this truth every Sunday in the Nicene Creed: “For our sake He was crucified under Pontius Pilate, He suffered death and was buried and rose again on the third day, in accordance with the Scriptures.” Amazing!

We know it's true, but this Easter Sunday, let's ask ourselves if we live as if it's true. Do we simply recite this portion of our Creed week after week, or do we live as witnesses to this glorious reality? And how are we, as Christian stewards, to live as a 'witness' all these years later without firsthand knowledge? We may have to look a little more closely to 'bear witness', but if we try then we can have just as real an experience of the empty tomb and the redeeming power of the Resurrection.

We become witnesses of His glory when we: prayerfully read the Scriptures knowing they are a living love letter from God with a message to each one of us, each time we receive the precious Body and Blood of our Lord in the Eucharist, when we experience His personal and healing power in our hearts during Reconciliation, and when we pour out our lives in loving service to those around us and experience the deep satisfaction that only comes when we are imitating our Saviour. This Easter, don't just recite the Creed – resolve to live as if it's true. Experience Jesus for yourself every day from now on. You will be a powerful witness to the truth that He is risen! He is truly risen!
